Ruskin Community High School

Dear Parent/Carer

I hope you and your family are well.

Thank you for all the support you have been providing your child with during the school closure.

As you are aware, for all those students who have access to the internet at home, work is being set for students on Class Charts. Since the closure there have been a number of updates to Class Charts to make it easier for students to learn and for parents, students and staff to interact with one another. These changes are:

- Students are now able to upload their work to Class Charts straight from their digital device. This means they do not need to email their teachers.
- When work is uploaded to Class Charts, staff are able to provide instant feedback for students and also upload further documents if required.
- Parents are now able to award positive points for their child at home.
- **NEWEST UPDATE:** As of Wednesday 20th May, staff, students and parents are able to instantly message each other through the Class Charts messaging service. This allows you and your child to contact staff directly and for them to contact you. Staff will be available to contact from 9am – 3pm during the school day.

We hope you find these updates useful. If you do not have your Class Charts login, please contact the main office and they will be able to provide it for you. Please remember you can see what work has been set through your Class Charts login and also read announcements from staff. Please ensure you are logging into Class Charts regularly and continue to encourage your child to log in daily.

Thank you for your continued support.

Yours sincerely

C. Harrison

Mrs C Harrison
Assistant Headteacher

Please note: The term 'parent' refers to parent/carers throughout this letter.

HIGH STANDARDS HIGH ACHIEVERS
