Dear Parent/Carer

I hope you are all well. Following my letter on Friday 5th June, regarding Year 10 students and the wider phased opening, Cheshire East Local Authority have now confirmed that we can begin this process from **Monday 15th June**. As previously communicated, we will approach this phase with face-to-face time with students which will focus upon:

“Subject specific mentoring” ie:

- curriculum continues to be taught remotely but subject discussions held face to face
- students attend sessions with subject specific staff to discuss curriculum content and checking of understanding
- conversations within these sessions will be used to inform future curriculum planning for groups
- conversations within these sessions will be used to inform remote learning
- allowing for a sharp focus on identifying gaps in subject content and opportunity for teachers to immediately address key issues and misconceptions

I realise that you have now spoken to a staff member regarding the return for some face-to-face support and you have made a decision as to whether you would like your child to return. If you have expressed a wish for your child to return we will contact you over the next few days with specific details. Please refer to my letter from 5th June (attached) which adds some advice regarding travel to school etc. I have also attached the latest letter received from Cheshire East local authority this morning. I understand that this has been an anxious time for everybody and I hope that this will provide much needed support for all of our students. If you would like to discuss anything further please contact the school on 01270 560514 or email to parent/carers@ruskin.cheshire.sch.uk

Yours sincerely

D Postlethwaite
Headteacher (Acting)
