

Dear Parent/Carer

After careful consideration and planning last week, following liaison with parents, I am delighted that Year 10 students have returned to school this week.

The face-to-face support that we have been able to provide has been extremely positive. I have spoken to students, parents and staff and they have been very pleased with the meetings. I hope that this will support the remote learning that is in place because at the moment we are restricted in the provision we can provide.

We intend to provide more 1:1 support in the next couple of weeks and then progressing to some small group support later. The table below highlights the provision we intend to implement from 29th June. The first phase of 1:1 meetings ends on Friday 26th June. I sincerely hope that the support we are able to provide over the next few weeks impacts on students wellbeing, progress and most of all begins to give them confidence that it is safe to return to school. Hopefully not too far into the future we can progress towards more time in school and finally return to normal at some point.

If you would like to discuss anything further please contact the school on 01270 560514 or email to parent/carers@ruskin.cheshire.sch.uk

Yours sincerely
