Dear Parent/Carer

I hope you are all well.

As we approach the end of week thirteen of partial closure and remote learning I am writing to outline proposals for the remaining four weeks of term which ends on 17th July.

Following further guidance from DfE we are now able to offer a meeting with students in Years 7, 8 and 9. Due to the limitations of health and safety linked to Covid-19, year groups will receive a different offer. The limitations are mainly around numbers and capacity of the school. We are, of course, still open to key workers and the most vulnerable students as well as providing 1:1 face-to-face support for Year 10 students in line with guidance from DfE.

An outline of the offer can be seen below. If we can achieve the proposals in the next four weeks for **all** students it will be an extremely positive way to end the term. Our IT capacity has now increased and we are able to provide some support via TEAMS (more information will follow).

I would also like to draw your attention again to the excellent examples of work in the Teaching & Learning/Praise Newsletter (to be issued w/c 22/06/2020). It highlights some of the excellent work and efforts of a number of our students. I hope you enjoyed reading the first two editions.

If you would like to discuss anything further please contact the school on 01270 560514 or email parent/carers@ruskin.cheshire.sch.uk

Yours sincerely
