Dear Parent/Carer

I hope this message finds you and your families safe and well. Today is the first day of the new term which is very much different from normal. I would like to thank all parents/carers, staff and governors for your support at this challenging time since we have been closed. Also, a special well done to students who have engaged well with the work that staff have been providing. Regardless of the closure we will continue to support student learning as best we can. Staff have recommenced setting work as of today (20/04/2020).

I hope now that all parents of Year 11 students have received a letter with an update from OFQUAL regarding exam grading's and I will communicate further when it is relevant to do so. The letter can be found on the Ruskin website following this link:
<http://www.ruskinhighschool.co.uk/letters>

We will continue to follow DFE advice regarding the current situation adhering to government and scientific advice with a view to returning to work as soon as we are told and are able to do so.

Please continue to support students in their learning and if you have any concerns or general enquiries please email enquiries@ruskin.cheshire.sch.uk and we will endeavour to send your queries to the correct staff members.

Best Wishes.

Yours sincerely

D Postlethwaite
Headteacher (Acting)
