Dear Parent/Carer

I hope you and your families are all safe and well.

I am writing to you following the guidance from the Department for Education (DfE) published yesterday linking to the Prime Minister's broadcast on Sunday.

As you know, since March 23rd in line with advice, schools have remained partially open to those children of critical workers and a priority group of young people.

From early June we have now been asked to plan and prepare for the return of students into school. This will only be for Year 10 students initially and we are finalising plans for how this will be implemented. I will share more information in due course but this will not be a return on a full-time basis but for some face-to-face support part-time.

The DfE stated:

"Limiting the number of students returning to school initially then gradually increasing numbers, guided by scientific advice, reduces risk of increasing the rate of transmission".

Please refer to the following document for the most recent guidance for parents/carers:
<https://www.gov.uk/government/publications/closure-of-educational-settings-information-for-parents-and-carers/reopening-schools-and-other-educational-settings-from-1-june>

It is likely that Year 7-9 will return in the new school year 2020/21. Therefore, remote learning will continue for the remainder of this academic year. I will keep you informed when there is additional guidance or when I have further information to share regarding reopening the school to all students.

Best wishes.

Yours sincerely

D Postlethwaite
