

THE NATIONAL SCHOOL BREAKFAST PROGRAMME

We are delighted to announce that our school has joined the government's National School Breakfast Programme (NSBP) which is being delivered by the charities Family Action and Magic Breakfast.

As an NSBP school, we are pleased to offer a free of charge healthy school breakfast available to all. We hope that students will enjoy the benefits that this will bring – students who are settled, have lots of energy and are ready to learn for the start of the day.

The first delivery is due to be distributed to every student tomorrow and will be for a 2 week period. Every student is entitled to one box of cereal and one bag of bagels, every two weeks for the next two terms.

There will be a range of breakfast items available during the programme which will include bagels, cornflakes, rice crispies, cheerios, shreddies and porridge. A full list of ingredients and allergen information can be found below.

The first allocation are bagels and cornflakes and will be ready to collect as the student leaves school on Wednesday 9th September. Please ensure your child is sent to school with an empty carrier bag for safe storage on the journey home.

This is a free entitlement for all students at the school.
