Dear Parent/Carer

As this academic year draws to an end, I would like to thank you for your continued support in helping your child make the most of their time here at Ruskin Community High School.

Thank you to those who were able to attend the various information evenings over the course of this important year in which students have selected their GCSE options. By the end of term you should have received a statement reporting your child's National Curriculum levels at the end of Key Stage 3. If you have any questions about this, please feel free to contact the school office to make an appointment to speak to your child's form tutor or subject teacher.

When the students come back after the summer break, they will of course be into the final and most crucial phase of their education so far.

I hope that your child is excited about the new courses they will embark upon in September. Year 10 is a pivotal year and students will have to learn to prioritise revision and homework along with time management if they are to get the most out of the courses.

I would like to congratulate the following students for achieving 100% attendance in this academic year:

September 2014 - 7 <sup>th</sup> July 2015	
Amber Brown	9WRE
Katrina Faddes	9SHA
Daria Mozejewska	9SHA
Sasha Owen	9ASH
Dawid Rosiak	9ASH
Jacob Shaw	9ASH
Shelby Tomkinson	9ROE
Archie Whiston	9ASH

We expect all students to attend regularly and have an attendance figure of at least 95% as statistics prove that regular attendance increases the chance s of achieving A\* grades at GCSE. This will be especially important next year as students step up a gear in preparation for their GCSEs.

Throughout Year 9 I have tried to stress to students the importance of taking responsibility for their own learning and seeing school as a partnership between themselves and the staff working hard on their behalf to secure the best possible outcomes for each individual. I am positive that they will continue to go from strength to strength and continue to build successful and productive partnerships into Years 10 and 11.
