Thursday	History RIC - Rm 19 Geography EDD - Rm18	Maths BEL, ORM, LED, SZY, GRI
Friday		PE HAT - Rm Q

Attendance at Intervention Sessions

At this stage in Y11 many subject interventions will not be compulsory however; if you're told by your subject teacher that you have been identified as needing additional help, please don't waste the opportunity by not attending!

Ask yourself:

Do you know why you've been called to attend - be honest with yourself?

How much valuable information could I learn in the extra 50mins spent in school?

Can I afford to miss even one session?

If you haven't been called for intervention but think you need it, speak to your subject teacher about joining a session.

Remember...

Don't settle for an average or worse still, a below average grade. Work hard and achieve the very best you can.
